

Ministry Charlas
Wednesdays, October 2nd – October 23rd, 2024

The Gospel is the most precious gift we have as Christians and as ministers. It is the power of God for salvation, pointing us to the saving work of Jesus for sinners. As such, it should shape our ministry, affecting not just what we do and preach, but how and why we do it. Yet, for different reasons, many of do not have ministries that are motivated by and centered on the gospel. As pastor Timothy Keller reminds us, "*The implications of the gospel have not yet worked their way into the fabric of how [our] church does ministry.*"

Therefore, we have selected his book ***Shaped by the Gospel*** as our guide for the 2024 *Ministry Charlas*. In this book, Keller reminds readers the content of the gospel, but also how it leads to individual and corporate renewal. In the end, we never outgrow our need for the good news that God saves sinners by grace, of which we are the foremost.

We'll have our *Ministry Charlas* on **Zoom** during the month of **October**. *Ministry Charlas* are all about having open and honest conversations in a safe environment. They are open to pastors and leaders in and out of the PCA.
